Re: Dutch Boy Site, Chicago, Illinois

Dear Mr. Machado:

This letter accepts NL Industries, Inc. ("NL") 5/31/96 Workplan, as amended by a letter from Ranjit Machado dated 6/6/96 and a fax from Mr. Machado dated 6/10/96. EPA has no further comments and considers the 5/31/96 WorkPlan acceptable and final as amended.

EPA requests that NL submit two copies of the revised final workplan as amended through page 12 to EPA dated on the day of your receipt of this letter. Please submit this within 5 days via regular mail, and also send a copy of this submittal to the repository.

If you have any questions regarding these comments, please contact me at (312) 353-9228 or Christine M. Liszewski, Special Assistant Regional Counsel, at (312) 886-4670.

Sincerely,

EJH
